

BLUE QUALITY PHYSICIANS PROGRAM (BQPP)

We are certified by Blue Cross Blue Shield (BCBS) through the [Blue Quality Physician Program \(BQPP\)](#), which focuses on Primary Care Management and rewards independent practices committed to providing high-quality outcomes, and low-cost, patient-centered care for BCBSNC members.

Co-Management Agreement

Blue Ridge Cardiology & Internal Medicine has a co-management agreement in place to provide optimal health care for our patients. These agreements provide a framework for better communication and safe transitions of care.

Advanced Care Team

Blue Ridge Cardiology & Internal Medicine utilizes an Advanced Care Team model. Advanced Care team members support the Primary Care Provider (PCP) in efforts to deliver effective patient centered care.

Our Advanced Care Team members include:

- RN Triage - our 3 RNs rotate our RN triage position each day. Our patients have the opportunity to get to know each of our nurses on staff when calling the triage line
- Cristine Andrews, RN-BSN, Care Coordinator /Clinical Coordinator
